Sub: ELECTIONS - New Constitution - Electoral rolls - Madras, Legislative Assembly and House of the People - Adoni, Alur and Rayadrug taluks (Bellary district) - Preliminary ~~xixx~~ publication - Filing of X claims and objections - Further extension of time.

As it has been decided to print and publish the electoral rolls for the Madras Legislative Assembly and the House of the People for the Adoni, Alur and Rayadrug taluks of the Bellary District in Kannada also, and pending the arrangements to be made for the printing of these rolls; the Election Commission has issued a notification extending the period for the filing of claims and objections to these electoral rolls upto the 1st March 1951. The Electoral Registration Officers concerned are requested to see that the necessary corrections, consequent on this extension of time, are made in all the copies of the notices in Form V already published along with the preliminary rolls in their offices and at the other places where the rolls were published. They are also requested to inform all other officers in their respective areas, authorised to receive claims and objections, of this extension of time.

2. As the present extension for the filing of claims and objections is only tentative, and as it is likely that the period will be further extended, it is not necessary to issue notices now to the persons filing claims and objections during the present extension. The claims and objections received should be kept pending, carefully~~x~~ arranged by local units, and the programme of sittings should be drawn up later once for all, after the final last date for the filing of claims and objections intimated, and notices issued accordingly.
